**DETROIT
DENTAL
REVIEW**

Achieving a Higher
Standard of Dentistry
Through Education,
Communication
And Service

November 19-21, 2009

First and foremost, on behalf of the members of the Detroit District Dental Society, I would like to thank you for your continued support of the Detroit Dental Review. As you are aware, the entire format of the meeting has changed. The vendor representatives on the Dental Review Committee have stated concerns of the vendors, and we listened.

One of the changes we implemented is to have an "exhibit time only" when continuing education is not being conducted. This will happen on **Thursday, November 19, 2009, from 4:00 to 8:00 pm** in the Ontario Hall at the Detroit Marriott Renaissance.

This is an easy way to receive recognition and find new leads and have fun too. Your company can help us encourage the members and their staff to attend this exclusive time that has been set aside for the exhibits. This is a great networking opportunity for everyone and it will be a win-win for all.

We are asking the vendors for donations to be given away as door prizes. The attendees will be given tickets upon entering the exhibit hall and tickets will be drawn every half hour during the hours of 4:00 - 8:00 pm. The prize value must be a minimum of \$200.00. Some ideas could include products from your company or gift cards to popular retail stores. Gas cards or electronic items are a hot item too. Participating companies will be recognized as raffle prizes are being drawn. Each vendor will be provided with an additional 10 tickets per booth to distribute to attendees for visiting their booth.

Please consider this opportunity and if interested in participating, return the enclosed form by November 2, 2009, to Detroit District Dental Society. Thanking you in advance and we are looking forward to another successful dental conference.
